Aberdeen is closer than you think!

Aberdeen stands as a unique destination with many treasures on its doorstep, such as its breath-taking architecture, its famous granite skyline, colourful parks and gardens as well as being famous for its thriving centre for international business with a social scene to match. The region acts as a gateway to many castles and ‘The Whisky Trail’, which runs through the heart of Aberdeenshire, with more than 50 golf courses for delegates to choose from.

Aberdeen Exhibition and Conference Centre (AECC) is just a short 20 minute drive from Aberdeen International Airport and Aberdeen Train Station. It hosts two on-site hotels, with many more nearby.
